

# Vivi Loves Science

## I Can Read – Sink or Float

### Reading Guide

#### Test Your Knowledge!

*Hint: Make sure you look at the art in the book closely.*

1. What is the name of Vivi's goldfish?
2. Where is Vivi going today?
3. Name three animals that Vivi and her class saw at the aquarium.
4. What is the name of the flat fish?
5. Why do animals sink or float? (*Hint: It is an organ!*)
6. What kind of scientist is Dr. Cousteau?
7. List three things you think have low density. (Ex: beach ball)
8. List three things you think have a high density. (Ex: brick)
9. What is your favorite sea animal or fish?
10. Is a seahorse a fish? Yes or no, and why?

BONUS: Do fish get sunburned?

#### Can You Find...?

*Hint: Look closely at every page.*

1. Treasure chest
2. A school of blue tangs (a fish that looks like Dory)
3. Flower pillow
4. Orange backpack
5. Beach ball
6. Fish skeleton/bones
7. Clown Fish (a fish that looks like Nemo)
