

Vivi Loves Science

I Can Read – Wind & Water

Reading Guide

Test Your Knowledge!

Hint: Make sure you look at the art in the book closely.

1. Where is Vivi going today, and why?
 2. Who went with Vivi to the beach?
 3. What trash did they pick up?
 4. What happened to the tide pools and sand dunes?
 5. What is erosion?
 6. Name a famous example of erosion?
 7. What four items did they use in their experiment?
 8. Name some examples of things water can create by erosion.
 9. Name some examples of things wind can create by erosion.
 10. Can dunes be taller than buildings? Yes or no?
- BONUS: Why can't we walk on beach dunes? What do they protect?

Can You Find...?

Hint: Look closely at every page.
