

# Cece Loves Science & Adventure Reading Guide

## Test Your Knowledge!

*Hint: Make sure you read Cece's Science Facts too!*

1. What Adventure Girls' badge is Cece trying to earn?
2. What specific science does Cece use to see if a storm is coming?
3. What technology does Cece use to help them get back to camp?
4. What do the girls engineer (or build) to protect them from the rain? What materials do they use?
5. How do they use math to find out how far away campsite is?
6. What animal do you think stole the marshmallows?
7. What two extra badges do the Adventure Girls get in the end?
8. What does STEM stand for?

BONUS – What else does Cece think STEM stands for?

## Can You Find...?
