

Cece Loves Science & Adventure Reading Guide

Test Your Knowledge!

Hint: Make sure you read Cece's Science Facts too!

1. What is Cece's favorite question?
2. Name the three scientists that Ms. Curie teaches in class. (Bonus: Do you know what they did?)
3. Who is Cece's dog, Einstein, named after?
4. What is zoology?
5. What variables (AKA veggies) do Cece and Isaac test on Einstein first?
6. What is the study of insects called?
7. In the "CANIS" classification, what two animals are related to a dog?
8. Do hummingbirds hum?
9. What does Ms. Curie always say? (Hint: it helps Cece think of a new idea.)
10. In the end, what is the most extraordinary observation Cece makes?

Can You Find...?

Hint: Look closely at every page and write down the page number.

1. The treat mobile
2. The periodic table
3. A globe
4. A DNA strand
5. A picture of a human heart
